THE STEPS IN ORDER

Answer Key: Building a snowman

1. Roll a big snowball

2. Put a small ball on top

3. Add a face and buttons

4. Add a hat and a scarf

Make it easier: give two steps (first and last) at a time. Make it harder: take away the pictures and use the words only, or ask your child to tell the steps without the strip.

Getting dressed for snow

Check the box when it is done.

1.  **Put on snow pants** ☐
2.  **Put on boots** ☐
3.  **Put on my coat** ☐
4.  **Put on my hat** ☐
5.  **Put on mittens** ☐

Tip: slip this page into a sheet protector and check off each step with a dry-erase marker each time.
